"WHEN DAY IS DONE"

Twenty-seven shaky timid (?) students enrolled in the Crossville Community High School on September 2, 1944, for the first time. After getting acquainted, the freshmen thought nothing of being called green but had a wonderful time throughout the year. Dick Severns was elected president; Don Martin, vice president; Flora Copelin, student council member; Vada Smith, secretary-treasurer, and the sponsor was Mrs. Evelyn Scott.

In the year of 1945-46, twenty-three members were in the sophomore class. They had lost four of their members during the vacation. This was another enjoyable and interesting chapter to now reflect upon. Dick Severns was again elected president; vice president was Richie Bond; student council member was Vada Smith; secretary-treasurer, Analee Hunley; and the sponsor was Mr. Virgil Hortin.

The third year was a great year for this class. Sometime during the summer, another member had strayed, which left only twenty-two. Mrs. Jane Brown and Mr. Eugene Smith were selected co-sponsors. The Junior-Senior banquet was a lot of work for all, but was greatly enjoyed. The theme selected was "Underwater or Marine." Another great event of the year was the selection of the senior class ring. The juniors had some busy weeks in the year 1946-47 selling magazines. Chosen as president for this year was Richie Bond; vice-president, Wilbur Hughes, student council, Juanita Garner; secretary-treasurer, Analee Hunley.

As seniors, during this 1947-48 year, there are at the present time twenty-two students. Twenty-four students were enrolled at the beginning of the school year. The first event of importance was the arrival of the class rings. Each of the seniors has a position on the Tigerette and Tiger Staff.

To lead them through the last and most important year, they chose Clarence Kern as president; Wilbur Hughes, vice president; Juanita Garner, secretary-treasurer; Anna Higginson, student council member; and Mr. W. D. Sanders, sponsor.

As is true with all good books or plays, the fourth and final chapter of the history of the class of 1948 must have an ending. The final pages are now being written by them. Each day a few more sentences are added. Not until the final night when each of the twenty-two will march majestically across the stage to receive his certificate of achievement will this portion be closed—The ending will not be written but will be recorded only in our memory.

"SOMEBODY ELSE IS TAKING MY PLACE"

The Senior Class of 1948, being almost ready to leave old C. C. H. S., do make and publish their last will and testament.

Vivian Longacre wills her typing grades to Mary Ellen Stein.

Don Rhein wills his charming smile to Don Brown.

Lawrence Carr wills his tenor voice to Eddie Byrd.

Barbara Davis wills her ability to always have something to say to Rose Marie Jacobs.

Charles Carr wills his hair oil to Pete Wayland.

Richard Bond wills his manners to Bob Kaiser.

Wilma Jacobs wills her giggles to Diane McKnight.

Don Martin wills his ability to get along with teachers to Bert Bramlet.

Jim Bob McCorkle wills his disposition to Junior Kuykendall.

Analee Hunley wills her ability to chew gum to Sue Shepherd.

Howard Peacock wills his grades to Ferris Kornegger.

Juanita Garner wills her gold basketball to one of next year's lucky seniors.

Arthur Hickling wills his Modern A to Gordon Frasier.

Mary Robinson wills her long fingernails to Sarah Ann Sturm.

Wilbur Hughes wills his quietness to Jean Schach.

Gertrude Daniel wills her homemaking ability to Joan Steinmetz.

Dick Severns wills his "golden" sax to Anna Lee Cleveland.

Anna Higginson wills her position as cheerleader to a person who is capable of taking her place.

Clarence Kern wills his wolfish ways to Charles Garner.

Jimmy Robinson wills his wavy, black hair to Kay Porter.

Vada Smith wills her green eyes to Joyce McDaniel.

"IF YOUR DREAMS DON'T COME TRUE, PERHAPS YOU ARE
OVERSLEEPING"

"AFTER GRADUATION DAY"

Down through the ages, since the very beginning of time, man has tried to peek into the future to find out what it holds for him. All, up to this time, have failed.

Due to terrific mental powers (?) and deep concentration, we are privileged to give you, the class of '48, a brief look at your future.

The year is 1960.

Barbara Davis' ability to talk has won her the national spotlight. She is known as the "Second Mrs. Roosevelt." The question is "will she find a Franklin D.?"

Because of Dick Severns' playing ability, he is now an oil baron. (Incidentally, all his telephone services are free.)

Charles "Chaso" Carr, the American all-star runner, has combined business with pleasure in his frequent trips to the Gas Plant. He keeps in shape by running to and from the plant.

Wilma Jacobs has worked her way up in the world. She now heads the largest chain of ten-cent stores that specialize in bubble gum.

Don "Red" Martin is continually being mobbed by autograph-hunting bobby-soxers, even though he is married. He gained his "rep" in professional basketball. Joyce is still his most loyal rooter.

Lawrence "Roy" Carr is manager of a big gasoline establishment since the discovery of one of the largest oil deposits in the world near Skillet Forks. His slogan is "See Carr about your car."

Vivi Longacre, known as Vivian in '48, made just that for her self in Hollywood. She is known as "The girl with the whisper in her voice."

Wilbur Hughes has revolutionized the bike industry. He has invented a jet-propelled whizzer bike called "Wilb's Wonder Bike."

Don Rhein is a very successful football coach at the University of Illinois! Don attributes his success to training received in Crossville as protege of Coach Sanders.

Mary Robinson recently established her 15th dress shop. In addition to being a successful business woman, she also finds time to be an efficient wife and mother.

What? Did you say Arthur Hickling is the champion corn husker of the entire corn belt. Looks like it.

There will always be a Garnerville! Jim Bob McCorkle is farming near there, and how he does enjoy it!!

Dr. Richard Bond has left pharmacist school and is putting in his own drug store. There seems to be a woman's touch somewhere.

Many years ago, Mrs. Lawrence Carr gave up the idea of being a nurse. To you of the class of '48, she was known as Analee Hunley.

Clarence "Wolfgang" Kern is still just that. Right now he is recovering from a broken leg he received following one of the Crossville Cuties home.

Anna Higginson is touring Europe with her 4-star general.

Howard Peacock, a transit truck driver, has a girl in every town. He is living up to the confession he made way back in '48.

Juanita "Queenie" Garner is caring for her two adorable little girls, Janetta and Jonita. She's just as feminine as ever.

Jimmy "B. O. Plenty" Robinson is still in the gravel business. One slight change has been made. He now operates it with his "Gravel-Gertie."

Gertrude Daniel was recently appointed Farm Bureau Home Adviser for this vinicity.

Vada Smith recently returned from a trip to Brazil. She's still looking for a man, kids!

JUNIOR CLASS HISTORY

On August 31, 1945, some thirty intelligent-looking (?) boys and girls enrolled in Crossville Community High School to begin a new phase of their education. To guide them through this first confusing year, they elected Mrs. Juanita Attebery as sponsor, and, to assist her, the following class officers were elected: Gerald Farris, president; Lois Anne Prince, vice-president; Florence Harris, secretary-treasurer; Mary Ellen Stein, student council member; Ramona Sarg, girls' P. E. manager; Jim Bickell, boys' P. E. manager.

To prove that high school was not all work, they had for their first class party, a hayride and wiener roast combination.

After managing to struggle through the first year and after three months' vacation, they returned, more eager this time because of the fact that they were called sophomores. To begin the second quarter of the race, for class officers they chose Jimmy McCaslin as president; Barbara Winchell, vice-president; Lois Anne Prince, secretary-treasurer; Betty Johnson, student council member; Allena Jones, girls' P. E. manager; Richard Lamar, boys' P. E. manager; Mr. Robert I. Gregg was chosen as the sponsor.

This bunch again entered old C. C. H. S. on September 25, 1947, to begin the third year. The class had now dwindled down to twenty-five. This was a very busy and important year. To make money for the Junior-Senior banquet, all of the members worked hard to sell many magazines. It was a big success. Betty Johnson was high in sales.

For class officers, George Porter was elected president; Don Brown, vice-president; Betty Johnson, secretary-treasurer; Barbara Winchell, student council member; Allena Jones, girls' P. E. manager; Gerald Farris, boys' P. E. manager; and Mr. Charles L. Hortin was selected as our sponsor. George served as president only a short time, as he met with a fatal accident. Gerald Farris was then elected president.

By Lois Anne Prince.

SOPHOMORE CLASS HISTORY

On the bright sunshiny Monday morning of August 26, 1946, forty-three scared "chilluns" enrolled in the Crossville Community High School. We found that the custom was to elect class officers. To get started off on the right foot, we elected Bernice Redding, president; Joyce McDaniel, vice-president; Don Sanders, secretary-treasurer; Myron Taylor, student council member; Edna Ruth Stanley, Girls' P. E. manager and Dick Given, Boys' P. E. manager. Our sponsors were Mrs. Nellie Frailey and Mr. Charles L. Hortin.

But now this year, 1947-48, "ah yes," things were different. We still had about our same original number and were feeling very much "up in the world" and proud because we were no longer green "freshies." We tried to make it as uncomfortable as possible for the freshmen. Naturally we elected class officers. They were Don Sanders, president; Patty Johnson, vice president; Henry Houck, our original secretary-treasurer moved, so we elected Myron Taylor in his place. Bernice Redding was the student council member, Sue Shepherd, the Girls' P. E. manager and Fred Winkleman the Boys' P. E. manager. We elected as our sponsor, Mrs. Ann Hortin. Our class was well represented in extra-curricular activities. Many of our members belong to the Shop Club, the F. H. A., Civics Club and Pep Club. Two of our members, Bernice Redding and Ruby Lee McKnight, were elected cheerleaders. We also had three boys on the first ten.

—Don Sanders and Bernice Redding.

FRESHMAN CLASS HISTORY

About eight-thirty on August 25, 1947, some thirty-six boys and girls thronged to the open portals of C. C. H. S. for a new phase of study known as the high school course.

Those elected to conduct the majestic march of this class were: president, Gene Scarlett; vice-president, Bob Pate; secretary-treasurer, Kay Porter; student council member, Anna Lee Cleveland; girls' P. E. manager, Ila Huddleston; and boys' P. E. manager, Richard Hanks. The sponsor chosen was Mrs. Jane Brown.

In October, the time of the year when people, especially high school students, begin to think about parties, outings, and that first high school date, the class of 1951 held a hay ride and wiener roast which fulfilled even the fondest dreams.

The class has been well represented in the clubs, organizations, and band, and on the basketball squad. One of this illustrious group, Joann Steinmetz was honored by being elected as one of the four cheerleaders.

Some of the classes at times appeared dull and uninteresting, since certain boys in English I never closed their mouths long enough to permit anything interesting to happen.

Now, with the end of our freshman year in sight, we are looking with confidence to the coming year as sophomores.

STUDENT COUNCIL

The Student Council members, who are known as the "wise men" of the high school are just as brilliant again this year as ever. They strive diligently to improve the school, to help entertain the pupils by having motion pictures, and chapel services, and did provide bus trips to and from the basketball games. Each class is represented by two members chosen by a popular vote from their class, the president of each class automatically becomes a member and one other is elected by each class. Mr. Aylsworth is the faculty advisor. The officers are: Bernice Redding, president; Gerald Farris, vice president; Barbara Winchell, secretary-treasurer.

TIGERETTE STAFF

The Tigerette Staff again produced a miracle by publishing a monthly school newspaper. This five-column masterpiece contained gossip, news of everyone and everything, articles about all athletic events, feature articles, humor columns, a question box and many other interesting features. The seniors should be congratulated for their achievements. Mr. Hortin, the faculty advisor, we discovered, had great patience with us.

These industrious students who produced the Tigerette are:

A MEAN OR SARCASTIC THING"**

BAND

The Crossville Community High School Band has done very well this year under the able guidance and direction of Mrs. Ann Hortin. There are thirty-four members in the regular band and several beginners. The band gave two concerts, played at Carmi Corn Day, and went to the Carmi Clinic.

The band officers are Anna Higginson, president; Dick Severns, vice-president; Clarence Kern, secretary-treasurer; and Chancey McKnight, librarian.

Band members are, as seated in the picture:

STANDING: Directoress, Mrs. Ann Hortin, Jim Bob McCorkle, Betty Baker, Mary Ellen Stein and Arthur Hickling.

MIXED CHORUS

The mixed chorus of 1947-48 had a very successful year. Due to an increase in the number of male voices this year, a four part chorus was organized. This enabled the group to sing many songs which were difficult to attack. More and more Crosby's, Sinatras, Graysons, and Shores were being discovered every day.

The voices blended in this melodious chorus belong to the following:

FIRST ROW, left to right: Louise Hendrix, Ramona Sarg, Betty Johnson, Earline Sanders, Patty Johnson, Barbara Winchell, Vada Smith, Mary Robinson, Betty Baker, Betty Clark, Lois Prince, Carolyn Condict, Bernice Redding, Elaine Doty, Mrs. Ann Hortin, directoress.

SECOND ROW: Richard Carlile, Ann Charles, Mary Ellen Stein, Mary Carr, Ruby Lee McKnight, Juanita Garner, Delores Longacre, Joyce McDaniel, Joy Meriwether, Ganath Cleveland, Betty Ellis, Helen Cox, Wilma Jacobs, Joyce Sturm, Gail Crandall, Edna Ruth Stanley, Myron Taylor.

THIRD ROW: James Robert McCorkle, Bob Kaiser, Lawrence Carr, Dick Given, Gordon Frazier, Chancey McKnight, Don Sanders, Clarence Kern, Richard Bond, Dick Severns, James Carlile and Howard Peacock. Not in the picture, Don Rhein.

TIGER STAFF

Everything was going as well as could be expected down in Mr. Hortin's English room, until one day just before Christmas someone asked, "Are we going to have an annual this year?" "Why, yes!" They all chimed. "We've always put out a 'Tiger.' Don't think we are going to stop now."

The first day after Christmas vacation, the work started. We haven't been exactly at ease since then. All of the ads had to be sold, pictures were taken, stories had to be written, then rewritten, and most of all, plan of the Tiger had to be created. Under Mr. Hortin's patient guidance, we came through with the best year book published yet, (according to the seniors).

SEATED, left to right: Mary Robinson, business manager; Vada Smith, senior section editor; Analee Hunley, editor; Anna Higginson, organization editor; Dick Severns, advertising manager; Arthur Hickling, assistant sports editor; and Richie Bond, assistant editor.

PEP CLUB

It seems a tradition to have a Pep Club at Crossville High and this year was certainly no exception. This year's club consisted of about thirty-one members and is said to be the largest yet. Plenty of spirit, an excellent pair of lungs and a mouth to shout with were required of each faithful student.

The club's officers are: Lois Ann Prince, president; Bernice Redding, vice-president; Mary Robinson, secretary-treasurer.

The members of the club are: Cheerleaders, Bernice Redding, Joann Steinmetz, Ruby McKnight, and Anna Higginson.

FRONT ROW, left to right: Joyce Sturm, Alice Owen, Ganath Cleveland, Betty Ellis, Mary Carr, Joyce McDaniel, Edna Ruth Stanley, Ila Huddleston.

SECOND ROW: Valva Eaton, Mary Robinson, Vada Smith, Earline Sanders, Louise Hendrix, Sarah Ann Sturm, Ann Charles, Dorothy Turner.

THIRD ROW: Betty Clark, Barbara Winchell, Kay Porter, Ferris Kornegger, Susan Shepherd, Patty Johnson, Barbara Davis, Analee Hunley, Anna Lee Cleveland, Diane McKnight.

FOURTH ROW: Lois Ann Prince, Gail Crandall, Lola Black, Thelma Elliott, Ramona Sarg, Betty Johnson, Carolyn Condict, Helen Cox, Betty Baker, and Mary Ellen Stein.

QUEEN AND ATTENDANTS

Juanita Garner, a cute senior girl, was selected basketball queen of 1947-48. She was nominated by the seniors and elected by the majority of the student body.

At the coronation ceremony, she entered the gymnasium following the queen attendants. The maid-of-honor, Analee Hunley, followed her highness, with the home and visiting basketball teams filing in to complete the royal procession. Juanita was chosen because of her loyalty to the team, her friendliness, her pleasant disposition, and her natural beauty.

After reaching the stage she was legally crowned as the basketball queen to reign during the 1947-48 season. A gold basketball was presented to her as a token of appreciation by the coach and team.

FIRST ROW, seated from left to right: Anna Lee Cleveland, Susan Shepherd, Ramona Sarg and Patty Johnson.

SECOND ROW: Kay Porter, Juanita Garner and Betty Baker.

STANDING: Analee Hunley.

"C" CLUB

The "C" Club is an active organization made up of the major letter men of the Crossville High. Under the direction of Coach Sanders, this club strives to produce sportsmanship and fair play. At the end of the season a medal will be awarded to the boy on both the first and second teams with the best free-throw record.

This club has grown in number since its beginning and everybody has high expectations for the club in the coming years.

The officers of the club are: "Red" Martin, president; "Chaso" Carr, vice-president; Dick Severns, secretary-treasurer.

The members are, from left to right: Coach William D. Sanders, Chancey Lee McKnight, Dick Given, Lawrence Carr, Jim Bob McCorkle, Dick Severns, Don Martin, Don Brown, Charles Carr.

"A GOOD REPUTATION IS MORE VALUABLE THAN MONEY"

BASKETBALL SQUAD

The Tigers have done fairly well during this season of basketball playing but were unfortunate by making a bad start. At the beginning of the season, several games were dropped by a narrow margin which has marred their record. However, when they finally became organized, the Sandersmen started rolling and won most of their games which were played after Christmas.

For the second consecutive year, the fighting Tigers won the Little Ten Tournament by defeating four powerful teams on Allendale's floor. They lost to Grayville in the finals of the Blind Tournament, which was held at Grayville.

The Tiger lineup consisted of C. Carr and Brown as forwards. Martin and McCorkle were named as the Tiger guards and Given was the center. Don Sanders, the sixth man, usually entered the game early in the first quarter which provided the necessary spark to win the game.

FRONT ROW: Charles Carr, James Robert McCorkle, Don Martin, Dick Given, Don Brown and Don Sanders.

SECOND ROW: Don Rhein, Manager, Richard Hanks, Gene Scarlett, Robert Kaiser, Chancey Lee McKnight, Gerald Farris, William King, and Coach William D. Sanders.

THIRD ROW: Eddie Byrd, Manager, Charles Warren, Bobby Munsey, Bill Kays, Kenneth Munsey, Bob Pate, Wayne Nelson and Albert Bramlet.

SOFTBALL

The Tigers started the season off by defeating the Crossville Merchants by a score of 3 to 2. The Tigers lost to Ridgway on the latter's diamond. They came up with another win over Bone Gap. They then lost to Keensburg and came out winner over Browns on the next one. They lost a game to West Salem and were also beaten in the last game of the season by Ridgway on the Tigers' home diamond. After the try-outs, Coach Sanders decided on the following as his lineup:

P., C. Carr; C., Given; 1B., Sanders; 2B., Doty; 3B., McCorkle; S. S., Kaiser; L. F., Brown; C. F., L. Carr; R. F., Scarlett.

FIRST ROW (left to right): Don Sanders, Bob Kaiser, Lawrence Carr, Charles Warren, Dick Given, Don Brown, Charles Carr, Gene Scarlett, Jim Bob McCorkle.

SECOND ROW: Bob Pate, Don Rhein, Richard Hanks, Dolphis Daniel, Bill King.

THIRD ROW: Coach William D. Sanders, Chancey McKnight, Don Martin, Gerald Farris.

TRACK LETTERMEN

The track team of '48 is composed of three former lettermen and many other interested rookies. The Tigers have "Chaso" Carr back to run the mile and half-mile. He looked good in these events last year. They have Given to high jump and run the hurdles. He is a veteran at these events and should win attention in them. McKnight is also back to participate in various events this year. Some new members will no doubt gain fame this year in track.

LEFT TO RIGHT: Coach William D. Sanders, Charles Carr, Chancey Lee McKnight, Dick Given.

"IT MATTERS NOT WHO WON OR LOST, BUT HOW YOU PLAYED THE GAME."

DON MARTIN

"Red," a four-year letterman, was the generalissimo in the Tiger camp this year. The clever little ball handler insisted all year that his eyesight was failing, but he was never able to convince anyone. His kiss shot, famous for the past two years, meant the kiss of death to many of the Tigers' foes. Red took his basketball seriously this year and did even more than was expected in giving Crossville another championship team. As a result of his consistent heads-up game, the crew-cut Redhead takes his place in CCHS's "Hall of Fame."

CHARLES CARR

On the night of December 19, 1947, "Chaso" Carr scored 26 points in an important game against Norris City and from there on he was never headed. After getting off to a slow start, the midget forward combined his speed and uncanny eye to pace the Orange and Black scoring in a majority of the after-Christmas games. No coach or school could dream of having a more ambidextrous man on the squad. Whether it was shooting or passing, "Chaso" had equal accuracy with either his right or his left hook. The "hot-shot" forward

DICK GIVEN

"Star" is a tall dark headed center on the Tiger team. The Tigers would probably be lost without his good rebounding ability and height. He is the center of all the fancy plays performed that win the games for the Tigers. He is the product of several years' training. He played in his grade school years and has two more years to play in high school. He should show his ability to play the next two years.

GERALD FARRIS

"Curley" has been another good man for the Tiger squad to possess. He has been able to go into the game with the first team and do a swell job guarding his opponent until the other player was sent in again. He has made some badly needed field goals for the Tigers which we credit to his good shooting eyes. He is no new man in the game, as he played when he was in grade school. He and "Red" really looked good then, too. "Curley" will remain with the Tigers for another year and will take his place on next year's team.

BOB KAISER

"Stachio" is a Junior this year and has proved himself to be an efficient player on the second team. He has good height which enables him to rebound with great ability and he also has lightning speed which allows him to cut in front of speeding passes and intercept them. His speed is beneficial on fast break plays and in recovering fumbled balls. He is a fairly good shot and he is a good hand at setting up other teammates. He will be heard from next year because he has another year to play with the Tiger team.

ward leaves C. C. H. S. this year, but the echoes of "Shoot Chaso" will reverberate for years in the Crossville gym.

JAMES ROBERT McCORKLE

Jim Bob is a Senior and will be missed by the team of '49. He was a very fast man on the basketball floor which acquired for him the name of "Wheels." He was a guard on the Tiger team and was capable of intercepting passes made by the Tigers' opponents. He was not the type that shoots every time he gets the ball but was the kind of player who waited until a sharp play can be arranged before he considered chancing a shot. He will be remembered by all fans, even though he won't be playing in the years to come.

DON BROWN

"Buster" Brown is a very important piece of the victorious Tiger team. He is capable of playing in the forward position, where he usually started, or as a guard. He is very good at executing plays and is equally good at carrying them out. He has another year ahead of him at C. C. H. S. and should make history as a basketball player of the class of '49.

DON SANDERS

"Streaky" is a sophomore member of the Tiger team. He has been a prized possession of the Tigers and will also be very popular on the floor in the two years to come. He has amazed the fans with his overhead shot which seems to be impossible for his opponents to stop. He has made several of these shots this year and in some cases it was the decisive point for the Tigers' victory. He will appear on the floor again next year and will probably be a very good asset to the team.

COACH W. D. SANDERS

Coach William D. Sanders has once more coached a very successful season. He has established for himself an enviable record as a high school mentor by developing several outstanding quintets. This year, he took a first five with an average height of five feet, eight inches and made them into champions of the Little Ten, the runner-up of the Blind Tourney, and semi-finalists of the Regional Tournament. Coach Sanders is a favorite teacher, a good sport, and an excellent coach.

CHANCEY LEE McKNIGHT

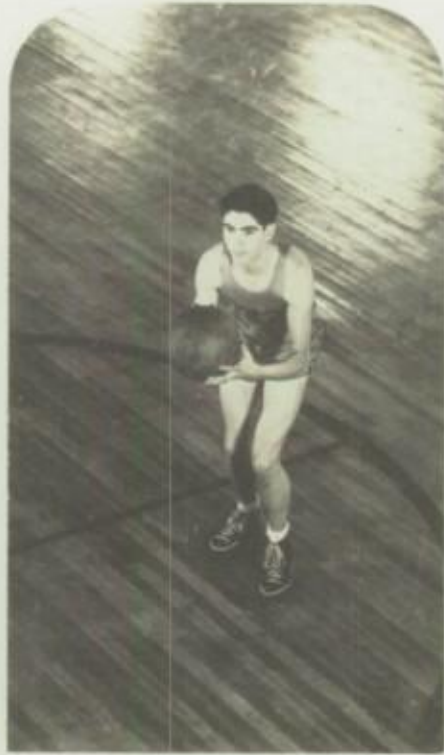

"Horse," only a sophomore, saw some action last year on the second team and came back this year to fight for his position on the first ten. Chancey's height makes it possible to shoot and rebound above most of his opponents' heads. Although he isn't a great scorer himself, he is credited with making many shots possible for his teammates. Chancey has a bright future to look to in the sport of basketball because he should see plenty of action on the first team next year. His height will be an unforgettable asset to the fighting Tiger team.

WILLIAM KING

"Bill" is a Freshman this year and is a good possession of the Tiger team. He moved to Crossville before school started and came out for basketball when the season opened. He can make field goals from way out on the floor and can keep up with his opposing player. He will be a much noticed player next year and should be a leading member of the Tiger team. He is one of very few Freshmen who make the first ten men in Crossville High School.
